CLINIC DESCRIPTION/GOALS:

Day 1: Learn basic skills required to drive – harnessing, putting to, rein handling, exercises to develop your driving skills. School horses will be available or you can use your own horse (providing your horse has already had positive exposure to driving training).

Day 2: Individual instruction/assessment using your own horse, working to get an understanding of the suitability of your horse to drive and develop a customized plan to begin your work at home. Please select a lesson time slot below.

Kathleen is a EC nationally certified Driving Coach, a Carriage Association of America Instructor, a provincially accredited Driving Judge and a successful competitor in Combined Driving and Pleasure Shows.
