

Hours On The Box Seat Programs

Welcome to the Alberta Carriage Driving Association's Hours On the Box Seat programs. These programs are being offered to ACDA members to recognize the number of hours drivers spend driving their horses (ponies, miniatures, donkeys or mules).

As a driver you will keep a log of the hours you spend driving your horse for personal use (recreational, training, competing). You will not include hours spent driving for pay, training another person's horse or your time riding on the carriage, sleigh, etc while someone else is driving. When a driver attains a milestone the log sheets must be sent to the Hours On The Box Seat coordinator before October 7.

Drivers may start recording their hours as soon as their registration is approved and may continue to record their hours as long as they remain an Adult, Junior or Family member of the ACDA. Hours are carried over from year to year. Drivers will receive recognition at the ACDA Annual General Meeting

The ACDA has established Milestones of 100 hours, 250 hours, 500 hours, 750 hours and 1000 hours. Other milestones may be added as necessary.

There are 2 recognition programs:

Adult Program (age 18 and over on January 1)

When an adult driver attains one of the milestones they will receive the appropriate lapel pin.

Junior Program (under age 18 on January 1)

When a Junior registers for the program they will receive a certificate that may be used to pay for one ACDA Provincial or Chapter Clinic. The certificate must be used in the first year the junior is registered in the program. When a junior driver attains one of the milestones they will receive the appropriate lapel pin and a certificate that may be used to pay for one ACDA Provincial or Chapter Clinic to be used in the following year.
